

# BIANCA GURGEL

• Digital Marketing Specialist •

## ABOUT ME

I am passionate about crafting creative marketing strategies that help purpose-driven brands connect with their target audience online.

With a multidisciplinary background in digital media and project management, I look forward to a challenging position that enables me to grow along with the company.

## EDUCATION

**2017 - 2018 • Douglas College**

Post-Degree Diploma in Project Management.

**2016 - 2017 • Douglas College**

Post-Degree Diploma in Marketing.

**2012 - 2016 • Federal University of Ceara (Brazil)**

Bachelor of Arts in Digital Media.

## EXPERIENCE

**Aug 2022 Social Media Specialist @ UBC Sauder School of Business**

**Present**

- Create engaging, informative and goal-oriented content in text, image, and video format.
- Maintain the school's social media calendar in coordination with marketing & communications colleagues considering both engagement and web traffic metrics.
- Facilitate online conversations and respond to questions and relevant comments.
- Report on online feedback and reviews from community members.
- Use social media insights and data to make recommendations for each social platform.
- Measure and report on channel success on a monthly basis.

**Apr 2021 Digital Marketing Manager @ FSHDesign**

**May 2022**

- Led digital marketing campaign planning, execution, monitoring and optimization for B2C and B2B client brands in a variety of industries.
- Managed all aspects of the digital marketing department including SEO, SEM, e-mail, social media (paid and organic), and content marketing campaigns.
- Supervised the digital marketing team, assigning tasks and overseeing campaign execution.
- Continuously evaluated all digital channels including search (SEO/SEM), social, and e-mail to meet campaign objectives.
- Contributed to the creative direction for projects including UI/UX, graphic design, social content, branding, photoshoots, videography, post-production, etc.
- Provided campaign reporting and analysis, highlighting successes and recommendations.
- Interfaced with clients for prospective sales, presentations, and reporting meetings.
